## Undercurrents

Vol 25, I03- March AS 60, 2025

### Dearest populace,

Let these newsletters serve as a backlog of issues once lost to something we modernly refer to as “a broken hard drive.” While they may not be the flashiest of editions, they still serve the same purpose: to get information into your hands.

We will resume with your usual fanfare and decor come this holiday season, but we cross our fingers to have it even sooner.

YIS,

Lord Aurri le Borgne - Chronicler of Highland Foorde

## February Meeting Minutes

### o Officer Reports:

- Chatelaine: Lord James the Archer
  - Not Present
- Exchequer: Lady Adele Lachlan
  - xxxxx in bank account
  - Not Present
- Knight's Marshal: Courte Van Voorhees
  - At the last meeting, we discussed getting practice going. The library came up as a potential site, but there are some complications. We would either need to have an open practice, or pay to have a closed practice at 50\$ an hour, and it can only be scheduled out a month in advance. So its not ideal. The hunt continues, but please share if you have any leads on any spaces.
  - As it is getting warmer, outdoor practice is becoming more of an option.
  - No current authorizations have been sought, but there are hopes that increasing fighting will increase authorizations.
  - Potential collaboration between Equestrian and Heavy fighting, via heavy-to-ground fighting!
- Herald : Dame Glynis/Deputy Open!
  - Not Present
- Quartermaster: Noble Scandal Mac Rofir
  - AssetTiger has been set up, and the users we need have been created.
- Minister of Arts and Sciences: Tala Al-Zahra
  - Scriptoria series over the winter went well, and we have a social media post planned to show off Scriptorium through July. It has gone very well, and has been good for the populous.
  - Tala is reviewing the A&S files, trying to ascertain populous interests, to get better recommendations and classes. She has also been looking through the A&S interest survey from last year, and the main takeaways is that respondents want more classes. Tala would like to do at least one a month. Tuesdays, thursdays and Sundays are the top days people prefer to meet, and the frequency most ideal is once a month.

  - Volunteers are still needed! Both to set up infrastructure, and to help monitor certain areas! We also need a gate!
  - We are tent heavy this event, and will need many volunteers!
  - We are hoping for having a folding table for every class, but it is bring your own chair
  - Some tents can wait until Saturday, but we need to get them set up tents for classrooms ahead of time.
  - We do have King Abron coming on Saturday, with their Excellencies acting as Royal Liaison. We will have a court with two baronies and royals!
