

# The Barony of Highland Foorde

## Undercurrents

Vol 28, I06- June AS 60, 2025

### Dearest populace,

Let these newsletters serve as a backlog of issues once lost to something we modernly refer to as “a broken hard drive.” While they may not be the flashiest of editions, they still serve the same purpose: to get information into your hands.

We will resume with your usual fanfare and decor come this holiday season, but we cross our fingers to have it even sooner.

YIS,

Lord Aurri le Borgne - Chronicler of Highland Foorde
